C GIFT AID

giftaid it

We value your membership highly and appreciate if you may be on a low income. Gift Aid donations from individuals enable the Directors Guild Trust to claim a further 25p in the pound from the government. If you receive an income on which you pay tax above the Personal or Married Persons Income Tax Allowance then you are able to tick the Gift Aid option. For the Trust to be able to reclaim tax on an individual's donation, you must have paid income tax and / or capital gains tax in the previous tax year at least equal to 20% of your donation (less £10), which is the tax that the Trust can reclaim.

You can cancel your Gift Aid declaration any time by notifying us. If you are paying on behalf of a company you are not able to grant Gift Aid.
